

## **QUESTIONS FOR CELLS AND LIFE GROUPS**

Key passages: **Psalm 90, Proverbs 3:1-18, James 3:13-18**

- ❑ Share experiences from this last week when you have lived a more 'integrated life'.
- ❑ Have you have invited Jesus to be Lord and make a difference in some area of your life?
- ❑ Share also when opportunities were lost and you were a comfortable or uncomfortable 'impostor'.
- ❑ Does someone in particular spring to mind when you think about godly wisdom?
- ❑ What sort of qualities make you think of somebody as having wisdom?
- ❑ Why are we so slow to develop the twin attitudes of awe and humility?
- ❑ How's your search for wisdom coming along?
- ❑ What could be some of the practical implications for you of having a 'two-day' calendar?
- ❑ How do you really feel about the thought of Christ's return?

Pray for each other for the qualities in James 3:17.
