

HEADING NORTH ...

In September, Christine Stevenson will be leaving us to take up a Careforce placement in Newcastle. She writes:

Careforce is a Christian organization that works with churches and Christian Projects across the UK, and are mad enough to let me help them! I'm going to be based at Fellside Methodist Church and have been asked to help with their youth work, as well as getting alongside the members of their church who are retired.

People keep asking me if I'm nervous - but I'm not. I can feel God's hand over this situation and He's going with me to Newcastle as well as anywhere else I find myself. And although I'll miss everyone down here, God has given me a peace and a certainty about this.

I've been asked to raise some sponsorship money to help towards expenses, so please keep praying for me and for God's blessing on the things I'll be involved in. Thank you all for the huge amount of love and support you've given me in my time at St Chads.

CHADKIRK SUMMER FESTIVAL

Saturday 28th & Sunday 29th July. Chadkirk Chapel 12.00-5pm both days. £1 adults—children FREE.

OPEN GARDENS

SUMMER 2008

We would like to explore the possibility of opening some of "The Gardens of St Chad's" to the public in June or July 2008. The idea would be to offer around ten gardens for the public to enjoy, whilst at the same time raising funds. The gardens do not have to be Gardeners' World standard neither do you have to have an acre plot - we just want people to be able to enjoy the beauty of God's creation in gardens in and around Romiley. If you are at all interested in opening your garden please can you contact either Margaret Wain (336 4526) or Marilyn Gregory (427 3309) and if enough people express an interest we will take it from there.

COURSES STARTING IN SEPT

Stockport Continuing Education Services are running a 12 week Word Processing course at the Romiley Lifecentre starting Thursday 13th Sept, 12.30-2.30pm. This course is ideal for total beginners, no knowledge necessary but will also be helpful to anybody with some knowledge as a steppingstone to more in-depth courses.

A 10 week Introduction to British Sign Language, evening course is starting on the 20th Sept at Romiley Primary School.

Other courses, including Internet/E-mail, Web Design, Power Point and Bookkeeping are set up at the Cherry Tree Community Shop.

All of these courses are a great opportunity to learn locally, in small groups in a non threatening environment with qualified and experienced tutors. Unfortunately they are only open to learners 18+ (or 16+ if not in work or education). For more information, cost and to book please ring Inge on [07969 799 647](tel:07969799647)

BOOK AID

Many Christians in the poorest nations in the world are starved of the basic spiritual food we take for granted here in the UK—BOOKS! Book Aid is appealing to Christians in the UK to give their unwanted Christian books and Bibles to meet this need; books which may have been read once but now lie gathering dust on the shelf. If you have any unwanted Christian books or Bibles, please speak to Tony Hough.

PLEASE PRAY

Many of you will know that Hazel Whitehead will be going into hospital in a few weeks time for major operations on her spine. As you will appreciate this is going to be a very tough time for her, Alan and the boys. Please pray for them! Please also continue to pray for Katy Waterhouse, Graham and the boys, Chris Hough, Jean Hanson, Jean McFarlane, Tony Ainscough and others you may know of.
