Prayer at St Chad's

Jeremiah 17:7-8 :Pray that we as a church would be rooted in Jesus in all we do, our hope and confidence would be in him. And the fruit of this would be abundant!

Pray for those affected by the fires, especially those who've had to evacuate homes. Thank God for the amazing firefighters who worked so hard protecting the community.

Pray for those who work in Finance & Trade, that God would bless them and all their work. That those who know God would shine brightly for him in their workplace.

Ask the Lord to build His church in the Arabian Peninsula. Pray that believers will find ways to reach out to Muslims who've never heard the gospel of Jesus. Ask the Lord to soften their hearts to receive His love.

Open Doors are this months mission partners. Lets pray blessing over them and all they do! That they'd see and experience breakthrough this week in their own lives and of those they work with.

Prayer Storm: Furnace

An evening of Prayer and Worship at The Message Trust Thursday 12th July

7:30 –10pm. The vision for these evenings is:

'Now there was no blacksmith to be found throughout all the land of Israel, for the Philistines said, "Lest the Hebrews make swords or spears."' 1 Sam 13:19

The enemy was afraid of the people of God having a Blacksmith! Someone who will stand in a hot place and make weapons of war! These meetings are called 'Furnace' because we stand in a hot place where God doesn't just make weapons of war for the body of Christ, but He also raises up blacksmiths!

Please chat to Jamie or Beth Pritchard for more details.
