## Prayer at St Chads

- We pray for our community as Halloween approaches, for safety and protection. And we thank God for Jesus, the Light of the world!
- Pray for those in our community who are lonely and feel isolated especially as daylight hours get shorter. Pray that they will know God's presence with them.
- Pray for our local farmers, for God's blessing on the land and livestock.
- Pray for India where violence against Christians is escalating. Over 24,000 Christians were attacked last year because of their faith. Pray for courage and protection for local Rapid Response teams of Christians who are taking great risks to support victims with emergency food and medical care.
- Pray for those doing the Alpha course at the moment, that we will see people come to know Jesus and join our church family.
